☐ Fit   ☒ No change in fit

☒ Function   ☐ No Change in function

If applicable, see description below.

Change - Information

Today's CFast card has become obsolete, so we will switch to a newer one.

We have tested the new CFast and found that it should work as well as the old one.

Tests

Tests performed and passed:

Crosscontrol have performed necessary tests to ensure the function of the new CFast.

See attached test protocol.
