| <input type="checkbox"/> Fit | <input checked="" type="checkbox"/> No change in fit |
| <input type="checkbox"/> Function | <input checked="" type="checkbox"/> No Change in function |

If applicable, see description below.

Reason for Change - Information

We have been informed that an important component in these products will be obsolete by mid 2022. We have decided to not upgrade the product why it will go End Of Production. We are offering customers a Last-Time-Buy opportunity.

Recommendation

Place your Last-Time-Buy order.

CrossControl can unfortunately not offer a replacing product.

Information and dates

Our policy is to inform customers minimum 6 months in advance of Last-Time-Buys. Unfortunately, we received the information late from our supplier, so the Last-Time-Buy window is now shortened.

Last Order Date: 2022-06-10

Note: We encourage customers to place LTB order earlier due to the current volatile semiconductor market

Last Shipment Date: 2023-12-20

Depending on the decreasing production volumes and related manufacturing cost, MOQ, minimum order quantity is 5 units.
